History

In early September of 1944 eleven newcomers were welcomed to Wren Village School to learn their three "R's" under the tutoring of Mrs. Stephen.

Our second year our teacher was Miss Comos. We lost two and gained four making a total of thirteen.

In our third year we had as teacher Mrs. Cowan. We gained six this year and lost three giving us sixteen members.

Our fourth year teacher was Mrs. Moser. We lost two which left us fourteen.

Our fifth year we had Mr. Rupp as our teacher. We had nineteen members losing two and gaining seven.

With Mr. Rupp as our teacher we entered the sixth grade losing one and gaining two giving us a total of twenty.

We entered the seventh grade with Miss Baumgartner as our sponsor. We lost three this year and gained one leaving us a total of eighteen members.

Our eighth year we lost five and gained one giving us fourteen. We took our state tests this year. Miss Snyder was our sponsor.

In 1952 we joyfully entered as Freshmen with Mr. Nichols as sponsor. We lost one and gained two making fifteen. We were initiated by the sophomores and were given a party at night. We went to our first Ice Hockey game at the Colliseum at Fort Wayne this year.

We entered as sophomores losing one and gaining two making sixteen. Mr. Parvu was our sponsor this year. We also had the honor of initiating the freshmen this year and went to another Hockey game.

Joyfully we began our Junior year. Miss Meeker did a fine job directing our class play "Babies Night Out." We worked very hard on the Junior and Senior Prom "Gay Paree." Two members left leaving us fifteen. Our sponsor was Mr. Belangee.

Regretfully we began our Senior year in September 1955. Fourteen registered opening day but Velma Germann decided she'd rather take the road of matrimony and left us at Christmas leaving thirteen in the Senior class of "56". Mr. Kreischer and Mr. Belangee were our sponsors this year. We also made plans for our Graduation trip to New York and Washington, thus ending our Senior year in Wren High School.

Prophecy

In the year of 1966, as I gaze into my crystal ball, I find the Seniors of 1956 has reached their goal.

The first one I see is Jim "Duke" Myers. I see he owns a corporation all of his own. "Myers Duck Corporation." If anyone is interested in a Duck meal, see Jim.

As I look further into the crystal ball I see Barbara "Babs Katy" Kiracofe. She is married and has seven children and just last year she won "Happiest Mother of the Year." Her Motto is--"Cheaper by the dozen."

I was walking down the street when who do you think I ran into, none other than Thelma Estie "Jr." Whitaker. She and Lola Beard have an orchestra called "Hot Shot Aces". She said they were doing wonders with their outfit. If anyone wants any good entertainment, just see Thelma.

When I look still further into my crystal ball, I find that Dickie "Joe" Beard is married and is taking life easy. He just won \$64,000 on the \$64,000 Question. He too has three children. They live in the big town of Middlebury, Ohio.

I hear Ivan "Whitey" Hurless has tried out for Joie Chitwood auto dare-devils. Whitey wasn't so fortunate to find the right woman so he is still single. Anyone interested see him in person.

Ivan also told me that Mary Egly was driving a taxi cab in New York. Soon she is going to start up the cab business herself. She says "Why get married, you just bring on trouble that way."

Mary told me that one night she got a call from the big Alfalfa Mill on the outskirts of New York and who do you suppose was calling. It was none other than the manager "Bill Tum Tumbleson". He said he had just taken over for Ralph Neate.

Bill told me that Marilyn "Red" Myers has gotten married a number of years ago and has two sets of twins. Before she got married she had a job in the secretarial field.

The other day as I was reading the newspaper guess what was advertised? None other than Henry "Hank" Germann's DAIRY FARM. It said if you want good wholesome milk to drink, just drink Brown Swiss Cow's milk. He has his dairy farm in the state of Ohio. I hear he owns a large farm.

As I was traveling down through a couple of states I stopped into this one church just to see how

different churches operated and just guess who was the pastor, none other than Ralph Garwood. He greeted me and told me he had preached there for 7 years.

As I was talking to Ralph he told me he heard that Elmer "Giessie" Giessler had just been awarded "Best Basketball Player of Ohio State". He said that he was quitting the Ohio State team and was to play for the Middlebury Bombers Team. He is giving lessons in Basketball so anyone interested, just see Elmer.

I also heard that Billie "Lou" Priddy has won much fame for expert modeling of dresses in Paris. Anyone looking for a high priced dress just see her.

Have you heard, that Bob "Olen" McLean is managing the New Kroger store in Hillsdale, Ohio. If anyone is starving maybe Bob will take pity on you and give you something to eat.

Since I have taken the last look into my crystal ball, I know everyone is prospering and wish them all the luck in all the years to come.

CLASSES

Junior Class Play

In our Junior year we presented our play entitled "Babies Night Out," which was directed by Miss Meeker.

All the trouble began when Tommy and Gertie Ranger hired Peep Manville as their baby sitter. Her friends also were baby-sitting that night so Peep called them and invited them over for a party. When Mrs. Harper, Gertie's mother came along and found all these babies and baby sitters in her daughters living room having a party, she raised the roof and scared all the kids away. They all ran into the bedroom, each grabbing a baby and all getting the wrong one. When Tommy and Gertie came home they learned of the situation and after not too many hours they had their own baby back. Peep had been admiring the Rangers Appolo Radio and Record changer and had always wanted one so the Rangers gave her theirs and forgave her for all the trouble she caused.

Junior - Senior Prom

The 1955 Junior-Senior Prom was held in the school gym, May 13th. The theme was "Evening in Paris." The gym was decorated with red, white and blue crepe paper with stars for decoration. Three Cafes were decorated with brick paper and were decorated with flowers inserted in the wall front. The servers were dressed as Chefs and wore white aprons and towels on their arms along with their dress clothes.

After the program and banquet we all enjoyed dancing to the music of Speck Heble and his orchestra.

Senior Class News

"With The Ropes Of The Past We Will Ring The Bells Of The Future" was the motto chosen by the Seniors. Red and white were chosen as the class colors and the white carnation as our flower.

Glenn Isenbarger from Springfield, Ohio was chosen to be our Commencement speaker. Reverend Paul Graeser from the Evangelical Reformed Church will give the Baccalaureate sermon.

We also made plans for our class trip. We leave Van Wert on May 26 and arrive in Washington on Sunday evening. We will spend three evenings in Washington and will leave for New York the morning of the 30th. We will spend three evenings in New York also and will leave for home the second of June and will arrive in Van Wert the third of June.

Plans and the selection of our Senior class play have been made and the play is entitled "Wildcat Willie in the Doghouse" which is a comedy. It will be presented on April 13.

A**THLETICS**

From Where We Sit Varsity Basketball

Although this has not been a very prosperous year for us, we all worked very hard to try and win. The team is made up of four Seniors and one Sophomore. We won one game during the season. We beat Convoy-Union by a large margin.

All in all I think the boys have done the best they could but they still feel deep down that they have let their Wren High School down just a little. The squad says they could have done just as well as the other teams but they just have their off nights.

The team for the next few years is looking very promising due to many Juniors, Sophomores, and Freshmen and their experience they have received this year.

To them here's hoping and lots of luck.

Rah, Rah, Rah, Cheerleaders!

Can you imagine what the basketball games would be like without cheerleaders? We can't and we don't want to. These girls have done a wonderful job, we think they are the best.

This year our yell leaders are Thelma Whitaker, Kay Zinn, Linda Royer, Charlotte Gehres. They were chosen by the student body who sponsors cheerleading on the basis of skill, sports, school attitude, scholarship and standards.

The girls lead cheers for all games and pep sessions, and they also make up new cheers for the games.

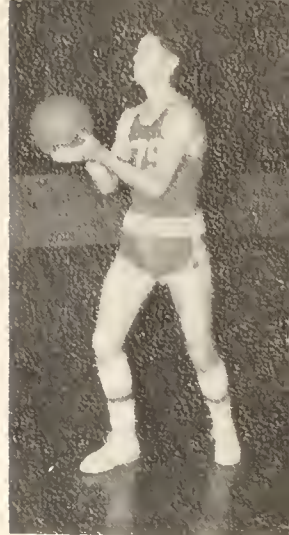

New uniforms were provided for them this year.

Thanks a lot girls, for everything.

Bill Tumbleson is our left forward
He's a favorite in the school
And when it comes to making baskets
Big Bill is not a fool.

Elmer Giessler, our right forward
Is a good and allround sport
And when the referee makes a bum decision
You never hear Elmer snort.

Ivan Hurless is our center
To see him play, it is a treat
And where Wren is playing basketball
You will find him on the beat.

Dick Beard, our running guard
To see him play is a pleasant sight
He knows he is playing for his High School
So he plays with all his might.

Bob McLean, our standing guard
Is a good and honorable scholar
For when it comes to backing up his team
Bob has never yet showed 'yellow'.
